## **Greetings, Grub and Grins**

*Annual “changing of the guard”*

**K**risty Kimball handed the gavel to incoming president **Doug Townsend** Thursday evening as we celebrated the year of the club’s achievements. The catered dinner was prepared and served by Husson University’s catering service at the Richard Dyke Family Business Center.

Scott Boucher, Assistant Governor for Area 9 Rotary Clubs, praised the club for its cooperation and collaboration during his term in office. He reminded us that the Polio Plus money we raised (\$6,000) will be matched 2:1 by the Bill and Melinda Gates Foundation.

Kristy thanked the many members who chaired and served on committees. Doug awarded Perfect Attendance pins to those who faithfully showed up at Rangeley Hall on Thursday mornings or did make-up attendance/work. He noted that Kristy has perfect attendance since she joined the club in 2008.

This year’s Paul Harris Fellowship winner is a close relative of Kristy’s, **Ken Kimball**. In his brief acceptance speech, Ken said that the nice thing about a dinner like this is that we don’t have to wash the dishes.

The annual “Joker’s Wild” drawing gave losers a chance to groan. Except for June Kontio and her husband, who drew the Joker card and went home with over \$950.
